

Touchdowns Against Cancer Campaign

Hi Everyone!

Hope you're enjoying your summer! This year, your Fighting Farmer Football team is working with the Touchdowns Against Cancer Campaign, benefiting St. Jude's Medical Center. It is our hope to raise funds toward childhood cancer research for every touchdown we score against McKinney Boyd and Trinity in September. We've set a goal to score at least 10 touchdowns in those two games and would appreciate your support in a couple of different ways:

- 1.) Go to the link and share with everyone you know. If we can get enough people to pledge \$5 a touchdown, we can make a BIG impact
- 2.) If you know anyone who has a business, please encourage them to step up and pledge into this campaign. ALL DONATIONS ARE TAX DEDUCTIBLE and who doesn't love a business who wants to interact with their community?!
- 3.) If you have it to give, please consider making a pledge of your own. Again, if we can get enough people to pledge even \$5 a score, we can do some big things.

We've set a goal to raise \$25,000 towards this cause. I believe this LHS community and the city of Lewisville can accomplish and surpass that goal. If you can help us in one (or more) of those 3 ways, you would be really helping our kids take on something bigger than themselves. Thank you in advance for your help. I think I can speak for everyone involved with LHS Football when I say we can't do what we do without you.

Just click the link below to sign up to pledge, or to share the link
